MEMBERS
OF THE
ACADEMY OF NATURAL SCIENCES
OF
PHILADELPHIA,

From the foundation of the Society, March 21, 1812, until June 30, 1877.

 Names of members known to be deceased are in *italics*. Names of life members are preceded by an asterisk (*)—those who are exempt from the payment of all annual dues are styled "life members."—Names of members who are not residents of the city are followed by the letters (N.R.). Names of those who were originally elected correspondents, and became members by removal to the city, are followed by (corres.). The names of those who have resigned, or who have forfeited their membership, are not included. Correspondents are regarded as members when they become permanent residents in the city.

SUMMARY.

| | |
|---|-----|
| Contributing members | 297 |
| Non-resident ¹ " | 125 |
| Exempt from dues by commutation; or life members ² | 442 |
| Existing members | 864 |
| Deceased members | 345 |

¹ A member who moves his domicile to any locality distant more than thirty miles from the Academy may be released from the payment of the stated dues on application to the treasurer (*By-Laws, Art. V. Chapter IX.*). Members exempted from the payment of dues on this account are termed "non-resident."

² A member who has commuted, or expunged the semi-annual claim of the Academy against him during life for stated contributions by the payment of one sum to the "permanent fund" (*By-Laws, Art. III. Chapter IX.*), becomes conventionally distinguished by the title of "life member" on the treasurer's books and on this list. The charter of the Academy provides that "the Society shall consist of *members* and *correspondents*" exclusively. For this reason those who belong to it cannot lawfully assume in this connection any other title, such as "life member;" or "corresponding member;" or "non-resident member."

PUBLICATION COMMITTEE.

March 25, 1817, a committee was appointed to devise a plan and make arrangements to publish a Journal. It consisted of Wm. Maclure, Thomas Cooper, M.D., Robt. M. Patterson, M.D., Thomas Say, Reuben Haines, George Ord, Thomas Nuttall, and Joseph H. Dulles. These eight gentlemen served until December 1818. Then a publication committee, which included three of them, was elected.

On the 20th of May, 1817, the first part of the *Journal of the Academy of Natural Sciences of Philadelphia* was reported ready to be distributed.
